

TREC
DAA ULTRA

120 caps.

BEST EBAY PRICE !

TREC DAA Ultra is a potent testosterone amplifying amino acid which has been scientifically proven to increase Luteinizing Hormone (LH). LH is a prolific stimulator of testosterone production through its regulation of leydig cell activity, with research also showing a huge rise in circulating testosterone levels.

DAA Ultra is a supplement which helps to amplify existing testosterone levels, supporting the accelerated development of muscle tissue and also facilitating with recovery from intense physical exercise.

Ingredients:
